

'Status of Women & Girls in Minnesota' presentation in St. Cloud June 30

The public is invited to a community presentation on Wednesday, June 30, 12-1 p.m., at the Great River Regional Library in St. Cloud (405 West Saint Germain Street). The presentation will share key findings from new research on the Status of Women & Girls in Minnesota. Plus, the group would like to learn from you how well the new data represents what's happening for women and girls in your commu-

nity. The event is free and open to everyone.

Status of Women & Girls in Minnesota is an ongoing collaborative research project of the Women's Foundation and the University of Minnesota's Center on Women & Public Policy. Annually, data specific to Minnesota women and girls is gathered and analyzed in economics, safety and security, health and reproductive rights, and political power and leadership.

The community presentation is the final stop on the Women's Foundation's eight-city 2010 Road to Equality Tour. For more information about Status of Women & Girls in Minnesota, 2010 Road to Equality Tour and more, visit www.wfmm.org.
